

## CVC Newsletter May 2013

## Current CVC fund-raisers:

The **Discovery 702 Walk the Talk** is taking place on Sunday 28 July 2013 at the Marks Park Sports Club, Emmarentia. The CVC is once again entering a charity team for the 5 km walk. We need at least 20 walkers to enter a charity team. Please ask your friends, family and colleagues to join the CVC team. You can enter online once the charity has been registered, but please do not pay online. The CVC team leader has to pay once-off for all participants walking on behalf of the CVC. The entry fee is R125.00. This must be paid into the CVC's bank account:

SAVA CVC

ABSA Bank, Brooklyn

Branch code: 632005

Account number: 405 677 9023

Reference: your full name and walk

Also please send an e-mail with your name, cell phone number, ID number and proof of payment to Daleen Grundlingh at: [cvc@sava.co.za](mailto:cvc@sava.co.za). We will all be walking together on the day, wearing the same T-shirts and carrying a banner to create awareness for the CVC. We will hand out balloons, and have the CVC mascots there as well.

Those who do not want to walk for us can still contribute by pledging or supporting one of those who is walking on behalf of the CVC. A pledge site will be put up on our website for this purpose at a later stage.

For more information on the event itself go to: [www.walkthetalk.co.za](http://www.walkthetalk.co.za)

This is great fun!

Our **Paw Print Project** runs for 3 months from May every year. Clients of participating practices can purchase a colourful paw print from the practice reception for R5. These then go up on the practice wall making a wonderful collage of colour in the reception area encouraging others to also support. All funds raised go to the CVC. Practices who wish to get paw prints please contact Daleen at Vethouse (012) 346-1150 or [cvc@sava.co.za](mailto:cvc@sava.co.za)

An update on the **Momentum 94.7 Cycle Challenge**: We unfortunately did not get sufficient entrants to qualify for the early bird R50 000.00.

Only 5 people have joined the CVC charity group thus far. We need a minimum of 20 cyclists to enter a charity team. We therefore need at least another 15 cyclists to join our team. We would like to encourage one and all to support us and participate either by riding or supporting a rider on behalf of the CVC. If you want to join the CVC charity team, please enter and pay online then send your name, cell phone number and ID number to Daleen at: [cvc@sava.co.za](mailto:cvc@sava.co.za). A pledge site will be put onto our website later this year.

The “Name the Mascot” competition – We would like to thank Timothy Hedges of *Memel Chronicle* for placing our “Name the Mascot” Competition in the newspaper and on his website and Facebook free of charge.

Please keep encouraging creative entries from friends and family – our Mascots, who are making many public appearances, are embarrassed not having names yet!

***Entries can now be made by sms.***

The CVC will be exhibiting at the **Royal Canin Dog Day** that will be held at Avianto on Sunday 5 May 2013. Please visit our stand; there will be soft toys, dog collars, books and more on sale. All funds raised will be used to provide primary healthcare and education in disadvantaged communities. Please continue to support the CVC by using your **MyPlanet card** at participating shops, and encouraging others to add the CVC as beneficiary to their cards. We once again have several thank yous to make:

The Gauteng CVC Bakkie had to have the front windshield replaced this month and **SA Autoglass** assisted us with a reduced rate on our excess fee for which we are extremely grateful.

Thank you also to **Net trade International** who donated a large volume of 25 mm adhesive tape to the CVC. These will be distributed to all the CVCs and supporting practices.

Thank you to **Mr Naidoo**, who generously donated many cat accessories to the CVC. These have been distributed between the Gauteng CVC s and passed on to members of the disadvantaged communities we serve who have cats that needed them.
