# XOLILE NGESI: LEAD SA GAUTENG REGIONAL HERO

Xolile Ngesi, who has been Dr Rissa Parker's veterinary assistant and the community co-ordinator for the Bizana CVC, won the prestigious award of being chosen as the Lead SA Hero in Gauteng for July 2014.

Lead SA is a Primedia Broadcasting initiative, supported by Independent Newspapers to promote active citizenship. The Lead SA initiative has made inroads at recognising and publicly affirming those South Africans who have dedicated their lives to the service and empowerment of others in their communities.

The Bizana Community Veterinary Clinic's outreach team, (which includes Dr. Helen Tiffen and Dr. Rissa Parker), have managed to vaccinate about 500 ponies over five visits. Not only did Xolile initiate this project, he is also the community co-ordinator for the project.
